

Programming, Databases and Website Development

Class Rules

I expect you to:

- Treat others with respect and courtesy as you want to be treated.
- Always do your best to produce high quality work.
- Make the most of class time by being prepared and participating.
- Share your knowledge with others and help them.

Class Rules

Pride, Respect and Teamwork

- Food or drink is allowed at the break table only.
- Breaks-Be professional and return on time
- Please do not listen to music during class. No music devices are allowed.
- The computers and network is to be used for class work only. No Instant Messaging, iTunes, web radio, personal email etc.
- No verbal or physical bullying, horseplay, teasing or harassment (no put-downs or shut up).
- Classroom and CACC dress policy will be followed during any school function.
- Ask teacher for approval before downloading or installing anything.
- Leave other students work and computers alone.
- Do not abuse or interfere with the operation of any computers and networks (including SynchronEyes, Virus scan and anti-spy ware).

Consequences of your behavior

If these rules are not followed, points will be deducted from the student's work habits possibly resulting in a lower grade as well as possible progressive discipline depending on the situation.
